10/9 - Open Water Skills Day

Club members are invited to come and work on their skills in a **FREE** and informal setting with instructors and other members. Our fall training day will be held on Saturday, October 9 at 9:30 a.m. in Oyster Bay. If you plan on going, please log on to the Fall Training Day thread on our club web site. Tim is collecting members' lists of skills they would like to learn. This will also help have a good student/instructor ratio. Bring all your safety gear, dress for the water temperature (high 60s), and bring a change of dry clothing for this exhausting, exhilarating day. Go to www.thewaterfrontcenter.org for directions to Beekman Beach.

Timothy Williams, ACA Open Water Coastal Kayak Instructor/Traditional Skills (Greenland) Instructor provides private and small group sea kayak instruction at various locations throughout the Island. He teaches all levels, from beginner through advanced, including stroke refinement, rescues, and effective Greenland-style kayak rolling. Flat water through surf. Experienced, safe, professional. Information, rates, reservations call 631-804-6581. E-mail: liquidaffairskayak@earthlink.net.

Holiday Party - December 3, 2004

Time: 7PM • Buffet: 7:30PM

Place: Wyncote Club overlooking Huntington Harbor

Ray Smith has been kind enough to get us access to the **Wyncote Club** on the west side of Huntington Harbor. **Wyncote Club** is actually an old house, at the top of a hill overlooking the harbor with ample parking in front and back of the club.

There is a working fireplace in the main room where we will set up folding chairs in cozy groups. On the enclosed heated porch that wraps around 2 sides of the house we will set up table and chairs. A catered buffet will be available at 7:30PM. Ice will be supplied, *please bring your own drinks which can include liquor or beer*. No minors permitted. The space requires a limit of 96 people. The cost will be announced soon.

More information to come.
