Program for Tuesday, April 14, Meeting

A proposal to initiate a comprehensive club skills assessment and development program will be presented. Your participation is vital, as the program will potentially affect all club members. Among the discussion topics will be the program's administration and funding, including the possible use of club dues to subsidize it. Your feedback is critical, so we hope to see you there.

Spring Picnic

Saturday, June 18th

We are busy planning our annual Spring picnic. It is going to be at Centerport beach, on June 18th. There will be catered food and plenty of time for paddling before and after our picnic. Look for more information in future newsletters.
